

## TMC names PanTerra Networks a 2022 Communications Solutions Products of the Year Award Winner

### *Streams Connect Recognized for Exceptional Innovation*

San Jose, CA July 21, 2022, — **PanTerra Networks** announced today that [TMC](#), a global, integrated media company, has awarded Streams Connect a 2022 Communications Solutions Products of the Year Award.

Connect is an all-in-one, scalable, secure team collaboration and webinar service that seamlessly integrates audio, video, screenshare and messaging through a single mobile or desktop interface. Connect is a part of the Streams unified communications platform from PanTerra combining voice, video, messaging, collaboration and mobility into a single, secure, easy to use cloud-based solution.

Arthur Chang, PanTerra President and CEO, was quoted, “We are honored to receive the 2022 Communications Solutions Product of the Year Award from TMC. It is a testament of our continuing dedication to deliver world class collaboration tools for mid-market enterprises.” He continued, “Beyond its enhanced business security features, Connect provides a unique Supervisory Mode feature which allows supervisors to silent monitor, whisper or barge in on a Connect video session in real-time. This feature improves training and accelerates sales and has been a big win for our customers.”

“Congratulations to PanTerra for being honored with a Communications Solutions Product of the Year Award,” said [Rich Tehrani](#), CEO, TMC. “Streams Connect is truly an innovative product and is amongst the best communications products and services available on the market today. I look forward to continued excellence from PanTerra Networks in 2022 and beyond.”
